MANUSCRIPTS

1. Manuscripts should be written in English, occasional contribution in Bahasa Indonesia will be considered for publication. This bulletin is a medium for the publication of original of marine geology, geophysics, geochemistry and related subjects.
2. The original and two copies of the manuscripts should be submitted for review purposes.
3. Manuscripts should be typewritten and doubled space. First lines of each new paragraph should be indented.
4. The entire manuscript should be paginated starting with the title page.
5. Only words to be set in italics should be underlined.
6. Manuscripts should in general be organized in the following order :
 - a. Title
 - b. Name(s) and affiliation(s) of author(s)
 - c. Abstract (not more than 500 words) in two languages English and Bahasa Indonesia. Articles in English should start with an abstract in English followed an abstract by Bahasa Indonesia. The abstract must be an informative statement of the content of the paper, explaining what the problem is, the method used, a statement of the results and the main conclusions. Constructions using phrases such as "this paper discusses", "are described" and "is reported" have no place in an abstract : by reading the abstract, the reader should be able to understand the essential qualities of the paper without referring to the paper itself.
 - d. Introduction
 - e. Methods, techniques, material studies. and area descriptions.
 - f. Results
 - g. Conclusions
 - h. Acknowledgements
 - i. References : the following system should be used for arranging references.
